The State of New Hampshire
TOWN WARRANT

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of Boscawen in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Boscawen on Tuesday, the Tenth day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate a sum not to exceed fifty thousand dollars ($50,000.00) for revaluation and mapping of the Town of Boscawen.

4. To see if the Town will vote to raise and appropriate a sum not to exceed fifty thousand dollars ($50,000.00) toward the constructing of a solid waste transfer station.

5. To see if the Town will vote to raise and appropriate a sum not to exceed five thousand dollars ($5,000.00) for the Town's share of the Concord Regional Solid Waste/Resource Recovery Cooperative's operating budget.

6. To see if the Town will vote to raise and appropriate a sum not to exceed five thousand dollars ($5,000.00) for the rebuilding of Town sidewalks.

7. To see if the Town will vote to raise and appropriate a sum not to exceed five thousand dollars ($5,000.00) for the services of the Concord Regional Visiting Nurse Association.

8. To see if the Town will vote to raise and appropriate a sum not to exceed eight thousand dollars ($8,000.00) to help support the Penacook Rescue Squad for its emergency medical services and rescue operations for the Town.

9. To see if the Town will vote to raise and appropriate a sum not to exceed fourteen thousand seven hundred dollars ($14,700.00) for a feasibility study for expanding Town sewer services.

10. To see if the Town will vote to raise and appropriate a sum not to exceed twenty-three thousand dollars ($23,000.00) for the Planning Board to use as follows: eighteen thousand dollars ($18,000.00) for the services of a consultant for the Master Planning and five thousand dollars ($5,000.00) for membership dues in the Central New Hampshire Regional Planning Commission.

11. To see if the Town will vote to raise and appropriate a sum not to exceed two thousand two hundred dollars ($2,200.00) for services to low-income residents of Boscawen through the Concord Area Center Community Action Program, Belknap-Merrimack Counties, Inc.

12. To see if the Town will vote to raise and appropriate a sum not to exceed three thousand dollars ($3,000.00) toward the operating expenses of the Penacook Centers – two thousand five hundred dollars ($2,500.00) for the Youth Center and five hundred dollars ($500.00) for the Senior Center.

13. To see if the Town will vote on the following question:

> "Shall we adopt the provisions of RSA 72:1-C which authorize any town or city to elect not to assess, levy and collect a resident tax?"

14. To see if the Town will vote to elect the Town Clerk for a three-year term rather than a one-year term.

15. To see if the Town will vote to instruct the Town's Representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Boscawen unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

16. To see if the Town will vote to give the Selectmen authority to negotiate an agreement with the Boscawen Congregational Church, U.C.C. for the transfer of the Town Hall to the Boscawen Congregational Church, U.C.C. (By Petition)

17. To see if the Town will vote to raise and appropriate a sum not to exceed eight hundred fifteen dollars ($815.00) to contribute to a regional Household Hazardous Waste Collection Program provided that the Board of Selectmen approves the terms of the Town's participation in the Program. This Program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides and the like. (By Petition)

18. To see if the Town will vote to return the Old Home Day Celebration to the Boscawen Community Church Park on King Street as opposed to having it at the Boscawen Town Park on Depot Street. (By Petition)

19. To see if the Town will vote to empower the Selectmen to borrow such sums of money as may be necessary to meet current expenses of the Town until the taxes are paid to the Treasurer.

20. To see if the Town will vote to give the Selectmen authority to transfer or sell property taken by the Town in default of Redemption from the Tax Sale or otherwise acquired and such sale to be at public auction with the Selectmen reserving the right to accept or reject any or all bids.

21. To see if the Town will vote to authorize the Selectmen to make application for and to accept and to expend on behalf of the Town any and all advances, grants, or other funds for Town purposes which may now or hereinafter be

forthcoming from the U.S.A. or the State of New Hampshire or any Federal or State Agency.

22. To see if the Town will vote to authorize the Selectmen to accept and to expend on behalf of the Town private gifts and contributions for Town purposes.

23. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this 10th day of February, in the year of our Lord nineteen hundred and eighty-seven.

WARRANT FOR SPECIAL MEETING OF TOWN OF BOSCAWEN

To the Inhabitants of the Town of Boscawen in the County of Merrimack and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Boscawen on Tuesday, the seventh day of October, 1986 at 10:00 in the morning, the polls to remain open until 6:00 in the evening, to act by ballot upon the following subjects:

ARTICLE 1. Are you in favor of the adoption of the Town of Boscawen Interim Growth Management Regulations as proposed by the Planning Board?

(The purpose of the regulation is to enable the Planning Board to complete a review of the Town Master Plan, to adopt a capital improvement program and to consider and propose permanent regulations and ordinances relating to growth management. Under the terms of the regulation, no existing lot shall be subdivided into more than four (4) lots; any lot subdivided under the regulation shall not be further subdivided while it is in effect and the total number of permitted dwelling units in any subdivision shall not exceed four (4). The regulation will apply to all major subdivision applications and site plan applications submitted to the Planning Board under the Subdivision Regulations of Boscawen and RSA 676:4 after the date of posting of this Notice. The regulation shall remain in effect for a period of not more than twelve (12) months from the date of approval by the Town.)

ARTICLE 2. To transact any other business which may lawfully come before the meeting.

Given under our hands this 18th day of September, 1986.

SELECTMEN'S REPORT

Another year has past although not without incident or impact to our community.

In addition to the annual town meeting, two separate special town meetings were called. The first was to address the issue of an office building for the expanding needs of our residents. At this meeting a building concept was presented and the voters raised the sum of $85,000. for the project. When the bids came in for the design presented, all were in excess of the amount raised. Many factors contributed to this, the major one being a burgeoning building trade throughout the area in both single family homes and combinations of multi-family and single family housing developments pushing costs up and employment down. Faced with this the Board began looking at alternatives, one interesting one being manufactured housing. After reviewing several plans, agreement was reached on a package that would accommodate our present needs with room for expansion and in keeping within our budget.

The second meeting called was to ask the voters to enact an interim growth regulation which would be in force for 12 months. This time is to be used to compose ordinances or amendments to ordinances that will provide for the control of the perceived large scale developments looking at Boscawen.

Planning the profile of a community to best fill its needs in the future is a very important and time consuming endeavor. This year a master plan subcommittee appointed by the Selectmen, the members representing a cross-section of our community, will coordinate with established Boards and Committees as well as professional planners to update the towns present master plan.

The overall budget is up approximately 7% over the last year. One obvious factor is salary increases and the request for two additional employees. The Police Department would receive a new patrolman and the Highway Department would get the other employee. Increased work load and added responsibility dictate these positions. Requests for increased funding by several area agencies can be viewed as another contributing factor. These requests, as in the past, are in the form of Warrant articles and should be given careful consideration.

On a final note, the Selectmen were able to fill the vacated positions of Health Officer and Life Safety Code Officer. Our new Health Officer is John Dagata and our Life Safety Code Officer is Jack Hoadley. These offices, like others, demand a great amount of time and energy for the grossly inadequate compensation they receive.

Let us not forget the time and effort of those people who serve voluntarily on the many Boards and Committees. Without them, issues of concern, as in the confusion with house numbers and postal box numbers, would not have been addressed. The House Numbering Committee, under the Chairmanship of Joy Sloane, has devoted much time and effort to produce a comprehensive plan that will benefit the total community.

The Selectmen would like to thank our employees for their continued dedication and support. The professional manner in which you carry out the day to day tasks is a virtue we can all take pride in. The extra effort given without hesitation is not always applauded. We do notice and appreciate this unselfish loyalty. Again, a sincere thank you.

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

CARRI, PLODZIK, SANDERSON
Accountants & Auditors
193 North Main Street
Concord, New Hampshire 03301

To the Members of the Board of Selectmen
Town of Boscawen
Boscawen, New Hampshire

We have examined the combined financial statements and the combining fund financial statements of the Town of Boscawen, New Hampshire as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund financial statements referred to above present fairly the financial position of the Town of Boscawen, New Hampshire at December 31, 1985, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Boscawen, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined and combining fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Carri, Plodzik, Sanderson

BOSCAWEN PUBLIC LIBARY

The total circulation of books and periodicals for 1986 was 6,404. 284 new books were purchased and 66 donated.

Our second year of holding a summer reading program was successful although held for a shorter period of time. This, and the Main Library closing from lack of heat, created a drop in circulation.

The Main Library had extensive repairs done to the slate roof. As the cost crippled our budget, the Board of Selectmen assisted us financially. The Selectmen also replaced the library furnace when it became faulty and the library was forced to close. A hearty thank you is most certainly due our Board of Selectmen!

Boscawen is fortunate to have Mrs. Betty Davis and Mrs. Bunny Randlett as librarians who are constantly working for improved materials and conditions. The increasing usage of your libraries is encouraging and your continued interest appreciated. Thank you.

Totals:	$8,244.09	$1,334.42	$762.55	$1,485.66	$11,826.72*

This being the first year under the new settlement laws, you will notice the absence of any court appointed expenses. We did, however, have some 1985 court appointed cost (mostly psychological testing of clients) that were paid in March which accounts for the relatively large miscellaneous entry that appears in that month. Additionally we paid, in 1986, $3,243.00 into Old Age Assistance that was actually expended in 1985. The late payment was caused by late billing from the county.

The final breakdown of the town's welfare expenses for 1986 is:

Direct Aid	$11,426.00*
O.A.A.	3,243.00
Total:	$14,669.00

During the year we recovered $1,786.00 from clients who were able to repay some of the aid the town gave to them. It is our policy to have the recipients of aid repay the town if they can when they get over their indigent periods. The welfare budget was overspent by $883.00 which is the reason for the increase of $1,000.00 for budget year 1987.

The new settlement laws have some serious weaknesses in them and I have spoken to our representatives in hopes that changes may be forthcoming.

*$11,826.72 was the authorized expenditure; $11,426.00 was the actual expenditure at the time of printing.

David R. Plourde, Welfare Officer

FIRE DEPARTMENT REPORT

In 1986, the Boscawen Fire Department responded to 139 calls; this is a decrease of 2 calls over last year. Our majority of calls are caused by wood burning devices.

The department is still maintaining its ongoing training programs at Fitzwilliam's Drill Yard, Capital Area Compact and Lakes Region Mutual Aid Association. Training also includes department training on a mandatory and volunteer basis. In addition, some of the members this past year completed the "Certified Fire Fighters One Course", which is a one-hundred hour course conducted by New Hampshire State certified instructors. This course was sponsored by the State of New Hampshire Fire Standards and Training Commission.

I would like to take this opportunity to "THANK" all fire personnel for their cooperation, understanding, effort and time devoted to the department in the past year.

REMEMBER!! If at any time you have any fire related problems, please DO NOT hestitate to call us.

Respectfully submitted,

Chief Roland "Joe" Bartlett

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

BOSCAWEN OLD HOME DAY
1986

The 88th annual Boscawen Old Home Day was held on Saturday, August 23rd. This year's theme was "HAPPY DAYS ARE HERE AGAIN – THE FIFTIES". Twelve floats entered the parade this year and the first prize went to the Boscawen Co-Op Kindergarden.

A Hoola Hoop contest, a double dutch jump rope demonstration, a chicken BBQ, a horse shoe tournament and a magic show were just a few of the events that took place at the Jamie Welch Memorial Field.

Barbara Bigelow was crowed Miss Boscawen 1986/87 at the 7th annual Miss Boscawen and Jr. Miss Boscawen Pageant. Stacy Speed was crowned Jr. Miss Boscawen 1986/87.

We would like to take this opportunity to thank all those who helped make this event a successful one and would like to invite you to enter a float in the parade, have a booth at the park, join our planning committee for the upcoming year or just come and join in the fun and games this August.

BOSCAWEN POLICE DEPARTMENT
Chief's Message

As we enter 1987, the 15th year of operation as a full-time law enforcement agency, the Boscawen Police Department has just completed its most exhausting year to date.

In 1972, the first full year the department was in existence, the department handled a total of 2,412 calls. 1986 saw this total increase to 8,166; an increase of 1,498 calls over 1985. I would like to note that as the department entered 1973, it did so with 3 full-time officers; the same amount as the department is presently staffed with.

Due to this I am asking for a fourth officer. The fourth officer will allow extra coverage – during time spent in court and eventually may allow the department to offer youth services to the Town in the position of a Juvenile Officer. In 1986, 50 juveniles were taken to court and almost 40% of the major crimes reported involved juveniles in some manner.

I wish to thank the Residents of Boscawen for their cooperation and assistance (much of which contributed directly to our ability to clear 56% of all reported major crimes.) I look forward to 1987 knowing that such assistance is there when we, the department, need it.

Respectfully submitted,

Mark R. Pepler, Chief of Police

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc., continued to service Boscawen for this past year. In the Home Care Program, service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Pathologist, Nutritionist) and para-professionals, (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Boscawen may request service; patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by others agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8:00 a.m. and 7:00 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 7:00 p.m. to 8:00 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for free scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled for that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County and National Association for Home Care.

Visits made during the year beginning October 1, 1985 to September 30, 1986 were:

	No. of Clients	Visits
Home Care	35	778
Health Promotion	13	145

1986 REPORT OF THE CONSERVATION COMMISSION

The commission was busy again this year with site reviews for dredge and fill applications. We also reviewed several town owned lots that were slated for sale, at the request of the Selectmen.

Thanks to the generosity of a town resident, we were able to send one youth to Conservation Camp at Windsor, N.H., in June.

The hazardous waste cleanup day, held in September was a success in our opinion. Although we do not have an exact count on the number of town residents who took advantage of this opportunity to get rid of any old chemicals that were around, we do know that 60 fifty gallon drums, and 29 five gallon drums were collected from the towns that were involved. The total cost to Boscawen was $522, which amounts to about 15¢ per resident, a bargain if you consider the possible effect on our groundwater if this material ended up in the landfills. The conservation commission feels that this cleanup day should become an annual event.

The Town Forest survey has been completed, and the Boundaries have been set in place. The commission is in the process of compiling a written management policy for the town forest, and we are working on wetlands mapping, as well as possible wetlands regulations. We hope to work with the Planning Board in developing the revised master plan for the future of Boscawen.

The Conservation Commission meets at the lower end Library, at 7:30 p.m. on the third Wednesday of each month. Interested residents are always welcome.

Respectfully Submitted,

Todd West, Secretary

HEALTH OFFICER REPORT

The year of 1986 was a very busy one. There were at least a dozen or more inspections of property for health purposes. I will be looking for the towns people to keep it safe and healthy.

If you have any questions, please call the Selectmen's Office or contact your Health Officer.

Respectfully Yours,

John Dagata
Health Officer/Town of Boscawen

REPORT OF THE PLANNING BOARD

Voters at a Special Town Meeting October 7 took a significant step towards assuring orderly, beneficial growth for the Town of Boscawen. Interim Growth Management Regulations, as proposed by the Planning Board, were adopted by an overwhelming majority. Of 291 votes cast, 87% were in favor of the regulations. The vote greatly restricts the size and scope of subdivisions in the town for one year from the date of enactment.

The adoption of interim growth regulations gives the Planning Board one year to review and revise the Master Plan, develop a capital improvement program that prepares the town for growth and helps control the cost of providing town services, and develop permanent regulations and ordinances relating to growth management. All of the above proposals will be adopted only if approved by another vote of the town.

It's a big job and the clock is running. It's too big a job to be done entirely by volunteers. That's why the Planning Board is requesting an appropriation of $23,000 in a town meeting warrant. The services of the Central New Hampshire Regional Planning are vital to the completion of this project. The organization is already providing valuable assistance even though dues from the town are overdue. The $5,000 requested brings dues up to date and covers an additional year. Consultant fees of $18,000 are also in the warrant. The consultants will coordinate the effort, assist with information gathering and assure that the many technical requirements of the project are satisfied. The total appropriation is absolutely essential for the work to be completed on time.

The need is real. Neighboring Penacook has witnessed incredible growth in the past two years. Concord's last major tract of undeveloped land was recently purchased by a developer. All predictions are for increased development pressure on surrounding towns. The tremendous increase last summer in the volume of informal inquiries to the board is what prompted the interim growth regulation proposal. The prospect of rapid growth was proven real and not imagined just days after the posting of the regulation. The Board received a subdivision application for 145 lots on 1,035 acres in the Flag Hole Pond area off Queen Street. The application was later withdrawn when the developer realized that the board would not and could not consider the request for one year.

It is reasonable to anticipate renewed interest in Boscawen development late this summer as the interim regulations expire. Let's be sure we're ready. The Planning Board urges you to vote yes to the $23,000 appropriation and welcomes your participation in this major project.

Edward R. Brodeur, Chairman
BOSCAWEN PLANNING BOARD

Ronald Butler seconded this motion.

Carl Russell asked Mr. Plourde to withdraw this motion. Motion withdrawn.

Carl Russell moved the following that a Study Committee be formed to study the needs of a municipal building, the members of said committee shall include a Selectman, the Moderator, a Planning Board Member, a Citizen of the Town and a member of the Police Commission. Said committee is to file a report to the town at the next Annual Town Meeting. Motion seconded. Discussion followed. Motion defeated.

Barry Cass asked why McKerley's office building was on the front cover on the town report. Mr. Plourde stated they were a local business and that the Selectmen felt it would be appropriate if local business and industry appeared on the cover of the town reports.

Rick Trombly spoke briefly; he thanked the Town for its votes and asked that the people work with the Selectmen in solving the solid waste problem and addressing the growth concerns facing the town.

David Plourde moved the meeting adjourn until May 6, 1986 at 7:00 p.m. to consider the space needs for town offices and to review any plans for the same and to raise and appropriate any money for the building of the same. Motion seconded and motion carried.

Meeting adjourned at 9:45 p.m. until 7:00 p.m. May 6, 1986.

MINUTES OF SPECIAL TOWN MEETING FOR TOWN OF BOSCAWEN

On May 6, 1986 the Town of Boscawen held a special Town Meeting to act upon a Special Warrant. Robert L. Johnson, Moderator explained at the beginning of this Special Session exactly why it was a Special Meeting. He explained that the State Revenue Department stated that the Town of Boscawen could not have legally recessed the March 11, 1986 Town Meeting until May 6th at which time the meeting would reconvene and the warrants continued upon as recessed. In order to conduct the necessary business before the Towns People it was necessary to adjourn the March 11, 1986 meeting first and at that time Robert Nolan made a motion to adjourn the Town Meeting of March 11, 1986 and was seconded by Gary Cox. All in attendance voted in favor and so the motion carried.

Moderator Johnson read the following petition that was presented by the Superior Court in order to hold a Special Town Meeting

State of New Hampshire

Merrimack, SS 86-E-239 Superior Court

Petition of Town of Boscawen to hold a
Special town Meeting with the same powers as an
Annual Meeting for the Raising and Appropriate of Money

Decree for Special Town Meeting

The above entitled Petition came before the Court for hearing and the Court having considered the evidence finds that an emergency has arisen in the Town of Boscawen which may require the immediate raising and appropriation of money.

It is hereby ordered adjudged and decreed that the Selectmen of the Town of Boscawen are hereby authorized to hold a Special Town Meeting no later than May 20, 1986, at the Boscawen Town Hall for the purpose of acting upon the Articles set forth in the accompanying Petition. The Special Town Meeting shall have the same authority of that of an Annual Town Meeting for the raising and appropriation of funds.

The approval is condition upon compliance with all statutory requirements relating to posting and notice which control such special meeting.

This Decree is made solely for the purpose of permiting the Special Town Meeting to be held and is not to be construed nor interpreted in any other manner nor for any other purpose whatsoever.

Dated this 15 day of April, 1986
Signed by Presiding Justice Joseph A. DiClerico, Jr.

At this time Moderator Johnson was ready to present the Town Warrant which read:

Warrant for Special Town Meeting of
Town of Boscawen

To the inhabitants of the Town of Boscawen in the County of Merrimack, State of New Hampshire qualified to vote in Town affairs:

Pursuant to a Decree of the Superior Court in and for the County of Merrimack, State of New Hampshire dated April 15, 1986, authorizing the Town of Boscawen to hold a Special Town Meeting with the same authority as Annual Meeting for the raising and appropriating of money, a copy of which is attached to this Warrant, you are hereby notified to meet at the Town Hall in said Boscawen on Tuesday, May 16, 1986, at 7:00 p.m. to act upon the Articles set forth in this Warrant.

Article 1. To see if the Town will vote:

A. To raise and appropriate a sum not exceeding $65,000.00 for the purpose of constructing a Town office building on land owned by the town on the westerly side of Route 4 in the Town of Boscawen in the vicinity of the Police Department and Fire Department buildings;

B. To authorize the Selectmen to do all things necessary or convenient to carry the foregoing into effect, including the execution of the name of the Town of contract or contracts for the construction of said Town office building.

Article 2. To transact any other business which may legally come before this meeting.

Given in our hands at said Boscawen this 16th day of April, 1986.

Signed by all three selectman.

ARTICLE 1. Bill Harmon made a motion to accept Article 1 as read and was seconded. Discussion followed. Lional Gauthier asked if any plans had been drawn. Doug Supry informed Mr. Gauthier that the plans from design consultant Don Coburn were posted there in the town hall. At this time Don Coburn explained each of the ten (10) cards that showed Zoning Site; Visability; Site Description; Topography; Micro Climate Site; Utilities Site; Circulation Site; Site Plan; Elevation Site Plan; Structural drawing. Don explained the purpose of each card and how it was relative to the proposed area. Roger Sanborn Jr. asked if there were going to be any extra expenses for Architectural fees. Douglas Supry stated that there were, he further explained:

The original town warrant of March 11, 1986 asked for $65,000.00. The Article read this evening is for $65,000.00. Doug stated that $65,000.00 was not the amount they were going to ask for this evening. He further explained that after the Selectmen met with the Town Office Employees and consulted with Mr. Coburn, it was determined that the square footage of the building would not be adequate for the needs and further determined that a full cellar would be wise. The square footage originally was 1,300 sq. ft. The square footage now proposed is 1,450 sq. ft. which is an additional 150 sq. ft.

Roger Sanborn, Jr., asked where the extra money was going to come from for this additional square footage and Rick Trombly stated that he hoped the Town People would appropriate that tonight. Rick also explained how originally when the building was first discussed some time back they talked about $50,000 to build on the proposed site. They also talked about putting $25,000 into the building they now occupy to make it handicap accessible and toilet facilities,

etc., but the budget committee said that if the Town was going to do something about a building they should do it right the first time and thus leading to tonight's meeting and an appropriation for building funds. The option is there for the people to vote in $65,000 and the selectmen will do what they can with that figure this year and come back for more money next year to complete it.

Roger Sanborn, Jr., asked why the selectmen did not put an ad in the paper notifying Town people of tonight's meeting. Rick Trombly stated that the Town did what was required by law to notify Towns people of the Special Meeting. Roger felt that this was not enough and stated that if more notice had been given, more people might be in attendance, especially if they knew the figure asked for was going to go from $65,000 to $85,000.

Dorothy Sanborn questioned the legality of changing from the original warrant request from $65,000 to $85,000. Mr. Trombly stated that Mr. Upton said this was acceptable.

Roger Sanborn, Jr., asked why a Bond Issue was not asked for. Rick Trombly stated that there were several reasons, but most importantly the time issue was the main reason. There was not enough time between the Annual Town Meeting and tonight's special meeting. Other factors involved dealt with increased insurance cost for having offices in personal dwellings, interest charges on the bonds, etc.

Craig Nixon asked what the additional $20,000 from the original $65,000 was for. Don Coburn explained that the additional $20,000 was for the additional 150 sq. ft. and the additional cement to be used on the basement as the original plans included a concrete slab and not a full basement. Roger Sanborn quickly figured that at $50.00 a sq. ft. (which is the figure the building cost is coming from i.e., $50 × the number of square feet) $7,500 was all that was necessary for the additional sq. ft. on the first floor leaving approximately $12,500 for the additional cellar cost. He stated that figure was definitely out of line. Keith Hutchinson also spoke of this same feeling.

Don Coburn, Design Consultant, explained that $50 is a general figure used in estimating a cost of a building of this type. He also stated that figure is only for estimating a cost need. If the town puts this building out to bid and contractors came back with $32 per sq. ft. or $40 per sq. ft. the figure would certainly be less than $85,000. If this did happen the remaining amount is contingency. Roger Sanborn, Jr., asked if this was the same as a padding and Don Coburn said yes but the correct wording is contingency. Rick Trombly explained that if the Town put it out to bid, and the selectmen have not made any decision as to how they will handle this at this time, but if it went out to bid and came in under the $85,000 say it came in at $72,000 then the remaining amount of the $85,000 would not need to be appropriated by taxes. Rick said that he felt comfortable stating that $84,000 would take them into occupany of a building. This would include flooring, septic, everything necessary to occupy the building. He stated that furnishings would not be necessary as all the town offices already had office furnishings and equipment.

Rick Trombly made a motion to amend Article 1 to change the amount of $65,000 to $85,000. Joe Bartlett seconded the motion and the motion carried.

Douglas Supry moved article 1 be accepted as amended. Bill Harmon seconded the motion. Robert Johnson, moderator, called for the vote on article 1 as amended. It was voted on and carried.

Robert Knowlton explained the need for a new Town building and said that if anyone there had attended any Selectman meetings they too would realize

how inconvenient it was to not have any waiting area and to have to hang around here and there until it was time for you to meet with the selectmen. He felt it was a necessary improvement.

ARTICLE 2. Rick Trombly made a motion to adjourn the meeting. The motion was seconded and was carried.

The meeting adjourned at 7:58 p.m.

Respectfully Submitted,

Barbara M. Holmes, Town Clerk

SPECIAL TOWN MEETING

A special town meeting was held at the Boscawen Town Hall, October 7, 1986. The meeting was opened at 10:00 a.m. by the Moderator Robert L. Johnson, who read the Warrant and announced that the polls would be open until 6:00 p.m.

Ballot clerks were Betty Carey, Marie Sherman, and Eugene and Bernadette Randlett. The ballots were counted and the results were: YES 254 NO 37.

Total number of votes cast: 291.

Barbara M. Holmes

Town Clerk, Boscawen, N.H.

ZONING OFFICER'S REPORT

One of the several problems of Boscawen's Zoning Regulations is that the general public is not aware of the Zoning Ordinance adopted by the Town of Boscawen April 17, 1973, revised June 27, 1975 and last amended September 12, 1978. The town adopted Subdivision Regulations June 14, 1982 and Site Plan Review Regulations September 14, 1981.

Regulations are available at the Selectmen's Office:

1. Zoning Regulations	$2.50
2. Subdivision Regulations and Site Plan Review Regulations	$3.00

One other general observation is that under Article III, General Provision of the Zoning Ordinance it is stated:

3.01 Required Conformance with Regulations in any District, no building, structure or land shall hereafter be originally occupied, erected, moved or altered in bulk until a *Certificate of Zoning Compliance* has been issued in accordance with the provisions of Article XI of this ordinance, insuring that the undertaking conforms with the provisions of the Ordinance.

Applications to conform are available at the Selectmen's Office at no cost.

Robert Knowlton
Zoning Officer

PENACOOK-BOSCAWEN WATER PRECINCT COMMISSIONER' REPORT

The Commissioners chose the engineering firm of Roy F. Weston, Inc. of Concord, New Hampshire to do the study of the Corrosion Control for the Precinct and which technique it should follow.

In June, 1986, President Reagan signed amendments to the Federal Safe Drinking Water Act, (SDWA) requiring filtration of surface water supplies. Full compliance, under the SDWA amendments, is expected to be required before 1992 and the New Hampshire Water Supply and Pollution Control has recommended that the Precinct have a detailed evaluation of the water system and cost to meet the requirements of the SDWA. This is under Article Five of the 1987 Warrant.

Respectfully submitted,

James Hewey, Sr.
Charles Scheys
Everett Blaise

Board of Commissioners
Penacook and Boscawen Water Precinct

We have examined the balance sheets of the Penacook and Boscawen Water Precinct as of December 31, 1986 and 1985, and the related statements of revenues, expenses and retained earnings, and changes in financial position for the years then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of the Penacook and Boscawen Water Precinct as of December 31, 1986 and 1985, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule is presented for additional analysis and is not a required part of the financial statements of the Penacook and Boscawen Water Precinct. The information has been subjected to the auditing procedures applied in the examination of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

PENACOOK AND BOSCAWEN WATER PRECINCT
NOTES TO FINANCIAL STATEMENTS
December 31, 1986 and 1985

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Penacook and Boscawen Water Precinct (the Precinct) conform to generally accepted accounting principles as applicable to governments which operate utilities that are financed and accounted for in a manner similar to private business enterprises, except as indicated.

Basis of Accounting

The Precinct's financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when they are incurred. Estimated amounts have not been recorded for services rendered but not billed as of the close of the year as required by generally accepted accounting principles. Interest on General Obligation Debt is recognized when due rather than when incurred in accordance with State requirements. The Precinct believes that the effects of these departures are immaterial to these financial statements.

Utility Plant in Service and Depreciation

Utility plant in service is stated at cost. Depreciation is provided over the estimated useful lives of the various components using the straight-line method. Estimated useful lives are as follows:

	Years
Building and Structures	40
Standpipes	30
Mains, Hydrants and Services	30-50
Other Equipment	5-20

Although still in use, fully depreciated assets are removed from the accounts.

Inventory of Materials

Inventories of materials consist of water system materials and supplies and are valued at cost.

NOTE 2 – UTILITY PLANT IN SERVICE

A summary of utility plant in service component balances at December 31, 1986 and 1985 is as follows:

	1986	1985
Water Supply Land	$ 16,967	$ 16,967

Construction in Progress	2,000	
Total	1,004,854	992,650
Less Accumulated Depreciation	420,533	396,538
Net	$ 584,321	$596,112

NOTE 3 – LONG-TERM DEBT

	1986	1985
Long-Term Debt, January 1,	$146,500	$166,000
Principal Reduction	19,500	19,500
Long-Term Debt, December 31,	127,000	146,500
Less Current Portion	19,500	19,500
Total	$107,500	$127,000

Under state law, long-term debt is a direct obligation of the Precinct for which its full faith and credit is pledged, and is payable from taxes levied on all taxable property located in the Precinct.

Following is a summary of long-term debt at December 31:

	1986	1985
$250,000 Water Bond Issue of 1974. Payable in annual installments of $12,500 through May 1994. Interest payable semi-annually at rates from 4.85% to 5.65%	$100,000	$112,500
$121,000 Water Bond Issue of 1967. Payable in annual installments of $5,000 through March 1991. Interest is payable semi-annually at 4.2%	25,000	30,000
$40,000 Water Bond Issue of 1967. Payable in annual installments of $2,000 through April 1987. Interest is payable semi-annually at 4.5%	2,000	4,000
	127,000	146,500
Less Current Maturities included in Current Liabilities	19,500	19,500
	$107,500	$127,000

The annual requirements to amortize the outstanding debt as of December 31, 1986, including interest payments of $25,041 are as follows:

Year Ended December 31,	Amount
1987	$ 25,659
1988	22,761

1989	21,882
1990	20,990
1991	20,074
1992-1994	40,675

NOTE 4 – PROPERTY TAXES

The Precinct is empowered by State law to raise taxes based upon the valuations of real property located within its boundaries. The property taxes are collected by the municipal governments of Boscawen and Concord. In 1986 tax levies from Boscawen and Concord were $52,106 and $3,035 respectively.
